The cross and the switchblade sparknotes summary pdf download pdf

The story of Pastor David Wilkerson and gang member, Nicki Cruz.Long before faith-based films became a regular feature of mainstream movie theaters, there was The Cross and The Switchblade. It went on to become a worldwide ministry phenomenon and it stands among the early sparks that ignited today's growing Christian film movement. His quest to visit the boys from the photograph is defeated at every turn; he feels humiliated and unsure about how to proceed. Original title: The Cross and the SwitchbladeCast & crewUser reviewsTrivialMDbProLong before faith-based films became a regular feature of mainstream movie theaters, there was The Cross and The Switchblade. This time, he is inspired to fulfill his dream of establishing a drop-in center that the troubled youth of the area could use as a resource, a shelter from the horror of their lives. Who the gangs hate more than each other, however, are the authorities. I met Nicky Cruz not long ago & I believe meeting him & hearing the story from him made the movie a lot more meaningful & I really enjoy it. Several of them, in fact (the author writes) move into the ministry. With nominal funds, insufficient even to get a hotel room which forces him to sleep in his car, his church sends him to New York City to bring the word of God to the young men and youth of the Egyptian Kings, who are on trial for their violent gang activities. —Huggo OK, I agree, the movie does have some bad acting in it but until u meet the actual man the movie has a lot less meaning & does seem a bit laughable. An epilogue describes how that work is expanding to other large cities with similarly troubled teen gang populations. Wilkerson's mission to tell lost and hurting young people that there was a better way through Jesus Christ, blossomed into the Times Square Church and the international ministry of World Challenge whose mission is to bring lasting, holistic change to individuals and communities. The story of Pastor David Wilkerson and gang member, Nicki Cruz. Based on the 1963 autobiography, of the same name by David Wilkerson, the film depicts the unlikely efforts of a "skinny country preacher" to bring change to the desperate lives of gang members living and dying on the mean streets of New York City. Again he prays and realizes he is being "called" to move to the city to begin his ministry there full time. He and his messages may be difficult to penetrate into the groups, but the general consensus is that if he can get through to Nicky Cruz, one of the leaders of the Mau Maus, he will be able to get through to anyone. David turns his attentions to the two gangs, and wants them to know that God loves them no matter who they are or what they do, and in doing so will guide them to make the right choices in life. This book chronicles the spiritual journey undertaken by the young evangelical pastor of a small-town, American church when he embarks on a mission to help the members of troubled street gangs in New York City. But David hopes to get through to them all, at his own risk, especially as Nicky continually threatens him. The Center, and the author, are free to continue their work. —Huggo Long before faith-based films became a regular feature of mainstream movie theaters, there was, The Cross and The Switchblade. Because of that publicity, David meets a tough street youth named Little Bo, who offers to introduce David to the main gangs still out on the streets, namely the mixed white Mau Maus, and the predominantly black Bishops, who are fighting each other for territory. If its your first time seeing it, keep in mind that it is a true story, maybe you will take it a bit more seriously. The story lives on in the book, in this film but more importantly in the legacy of lives transformed by the message that no one is ever so far gone that they cannot find the way home. The story of Pastor David Wilkerson and gang member, Nicki Cruz.39User reviews14Critic reviewsDavid Wilkerson is a relatively young parish priest in Philipsburg, Pennsylvania. Set in the late 1950's and early 1960's, the narrative traces the growth of his ministry from personal, one-on-one encounters into a thriving, sometimes miraculously funded, community outreach program. The author's first attempts at street corner evangelism result in the conversion to Christianity of a couple of the toughest gang leaders in the city - and the resentment of others. Be the first to contribute! Just click the "Edit page" button at the bottom of the page or learn more in the Synopsis submission guide. David hopes God will be their salvation. Although this 1970 film bears the style of a different era, the life-changing solution that David Wilkerson brought to desperate lives remains forever relevant. Another that he sees who is especially in trouble is Rosa, Nicky's "girl" who will do anything to get the money to get her two injection per day heroin fixes. At one point, the author initiates a series of rallies for the young people, which are at first sparsely attended and raucous, but through faith, prayer and trust, the author eventually wins the gangs over, or its affiliates Edit Risti ja linkkuveitsi (1970) jump to: Long before faith-based films became a regular feature of mainstream movie theaters, there was The Cross and The Switchblade. Although David is not allowed to get near the Egyptian Kings, his trip to the courthouse does garner much publicity. And just try to block out the bad acting in some points of the movie =)heavenzkiss777Jan 23, 2005See detailed box office info on IMDbProSuggest an edit or add missing contentBy what name was The Cross and the Switchblade (1970) officially released in India in English?AnswerYou have no recently viewed pages Jump to ratings and reviewsA young preacher from the Pennsylvania hills comes to New York City and influences troubled teenagers with his inspirational message.Christian Nonfiction Biography Religion © 1996-2014, Amazon.com, Inc. I suggest that if you get a chance meet the man. He is nevertheless reminded that "the Lord works in mysterious ways." After praying for further guidance, he decides to visit New York several more times, becoming more aware of how much work there is to do outside the particular gang he initially sought to help. With the practical support of his wife and the financial support of some wealthy benefactors, he establishes what comes to be known as the Teen Challenge Center, and trains young students from Bible colleges across the country in the specific needs and circumstances of his ministry. David Wilkerson is a relatively young parish priest in Philipsburg, Pennsylvania. The book begins with the author's description of the photograph (of a gang of teenagers accused of killing a polio-stricken fifteen year old) that eventually led him to change his life. I believe his story can really change lives, something definitely changed in me when I met him. He also gathers allies, fellow ministers eager to help him free troubled young people from their addictions to drugs, sex and violence. Among those whose lives were transformed was the notorious gang-leader Nicky Cruz who went on to lead a decades long outreach to gang members and other distressed young people. If you haven't seen it yet I suggest you do. As the Center establishes itself and becomes more secure, it fosters and nurtures young people from the street as they awaken to a new, evangelically-based spirituality. On his first trip into New York, the author discovers the depths of his innocence about the city, its justice system, and above all the nature of street gangs. He writes that through prayer, he came to believe that God's will for him was to travel from his small parish in rural Pennsylvania to the rough streets of New York City. The film was made squarely within the Hollywood system yet, was set apart by the unashamedly Christian vision of its producers. As the author's ministry expands and as he encounters increasing success with his techniques of reaching out to young people, the author again receives what he believes to be divine guidance. There are hardships (lack of funds, lack of food) but, the author writes, the Center's needs were all met through the power of prayer. Along the way, the book explores themes relating to the power of Christian faith and the causes and effects of drug addiction. Even though extended negotiations fail to win a full reprieve from the pending payment of a second mortgage, at the last minute (and exactly as prayed for) a donation for the full amount of the mortgage comes in from a wealthy donor. A visit to his grandfather, a retired Pentecostal preacher, inspires him to consider broadening his mission to other members of other gangs. —William Carroll It looks like we don't have a Synopsis for this title yet. And fifty years later, the film, for all its retro elements, still stands up to scrutiny as a well-written, stylishly produced movie featuring sincerely passionate performances.
